

Yealand Redmayne Parish Council  
Parish Assembly Report

Monday 14 May 2018, to be held in The Village Hall,  
Footeran Lane, Yealand Redmayne at 7.00pm

-----

Another De-Fibrillator has been installed at the Bus Stop at the Triangle, the Parish Council wish to thank to Mrs V Calver for all her hard work in liaising with First Responders, doing the weekly checks etc. Pedi Padz have recently been replaced, as the 'use by' date was imminent.

-----

The Meadows Play Area : Following the Annual Inspection, the addition of a new Safety Gate on the Climbing Tower was recommended; this was installed without delay. A raised herb bed is the next project being considered. Ideal for Community Sharing, it will be a focus of colour and scents and will encourage children to try out growing and eating different herbs.

-----

Concerns have been raised over road markings on the A6, following a series of accidents over the past 18 months. Parish Councillor Macklin has met with County Highways and the Police Road Safety Officer and is working closely with them to improve signage and markings. Much concern has also been expressed about the amount of potholes in the area. Update will follow soon, but the Parish Council understand that improvements will be made this year.

-----

The stretch of the Canal Path that has been adopted by the Parish Council will be having a Lifebuoy installed very soon. Improvements to the area are also planned; Perhaps a Bird Box and some wild flower planting. Suggestions are welcome; please contact Councillor Mike Macklin or The Clerk.

-----

The Parish have a new Website. It is easier to use and will be updates weekly. Items of local interest, City & County Council notices, travel changes etc, will be posted onto it, so residents can access information. All Statutory Information will also be able to be viewed. Please let the Parish Council know if there is anything else you would like to see on it. Contact the Clerk, Sue Brown on 078 37 193 990, or on the new email address ( see below ).

---

Doggy Sacks, bought in bulk at a much reduced rate, from City Council, are available for all from Coffee Stop each week. Please collect from there, or contact Margaret Davy to arrange collection. The Parish Council wish to thank all dog owners who tidy up after their walks, keeping areas clean.

---

At the present time there are five Parish Councillors, all of whom work hard to improve the local area. Because of GDPR changes, any enquiries should please go through the Clerk, Sue Brown, Clerk, on 078 37 193 990, or the new email address of : [yealredmayneclerk@outlook.com](mailto:yealredmayneclerk@outlook.com)

Once again, the Precept was kept at the same figure as in the previous year. With careful budgeting and fundraising donations from many sources, the Parish Accounts look healthy, as we go into the 2018-19 year.

Considerations for the next year might be the purchase of a Solar Speed Indicator Device. A short presentation about them is included tonight.

---

Finally, the Councillors wish to thank the residents for their ongoing support over the last year and encourage them to come to the meetings. It is their opportunity to speak about matters that affect their village. The Councillors do their best for all residents, within their powers and welcome new ideas for the village.
