

Carnforth Household Waste Recycling Centres will reopen on Thursday 4 June, along with the sites at Haslingden and Longridge

They will operate in the same way as the 12 sites which reopened earlier this month with a booking system and restrictions in place to manage demand and ensure social distancing. The feedback on these new arrangements has been very positive from visitors to the first sites that were reopened.

You must make an appointment before visiting a recycling centre or you won't be allowed access. Appointments can be made online at the link below or by calling 0300 123 6781 (Monday to Friday 9am to 5pm).

Appointments are limited to one visit to one site per calendar week and you will not be able to book multiple visits to different sites. Your vehicle registration will be checked on arrival to ensure you have a valid appointment.

A link to the booking system is below:
