St John's Church

Congratulations to the 50/50 Club winners in September - Eileen Freeman, Siobhan Emery, Alan Casson.

Thank you to everyone who has responded to the recent renewal campaign. It's not too late to return your promise forms if you haven't already done so. Full details can be found at www.wartonstoswald.co.uk/Pages/Yealand/Renewal

The next Mini church session is on Friday November 9th at 10.00 in the village hall - all pre-school children welcome. There will be lots of activities and refreshments.

The Yealands Remembrance Sunday service is in the village hall at 10am on Sunday November 11th. The short service will be followed by refreshments and an act of remembrance at the War Memorial at 11am.

Knit and Knatter is on Wednesday November 14th, 2.00-4.00 in church. You are invited to bring something along to work on peacefully for a couple of hours in congenial company with tea and cake.

Tea @ St John's is on Wednesday November 28th at 3.00. Everyone is invited. Please ring Sally-Ann Rothwell (734585) if you would like a lift or if you or anyone you know can't get out and would like a nice tea to be delivered that day.

Yealand Quakers

A major refurbishment of the old school, will start at the beginning of the month. The work will create 3 ensuite bedrooms, including one with level access, though it has not proved possible to fit a lift or make all the ground floor of building free from steps. There will also be new heating and lighting systems. Coinciding with this, Sue and Alan have retired as wardens. Over the winter, the default position for the Meeting House is that it will be that it is locked, opened for planned meetings. But if you want or need access please ring Alan or Sue on 732336

Please note however, that the collecting box for Morecambe Bay Foodbank will still be there in the MH porch. The contents are normally taken in on Friday morning. The foodbank played host recently to reporters from the New York Times. Go to <https://www.nytimes.com/2018/09/26/world/europe/uk-austerity-child-poverty.html> to see what they made of poverty on our doorstep

Crafternoon

Tues 6th November in the Meeting House (old school closed for renovation) 2.30-4.40pm Christmas crackers! Please bring empty toilet

roll tubes, jokes and small gifts to make your own crackers.

All welcome. £1 minimum donation for tea and scones.

Yealand WI

The WI met in Yealand Village Hall on Wednesday 10th October for the AGM when a new President, Veronica Butler and Secretary Sue Tyldesley were elected to the Committee. We meet on the 2nd Wednesday of the month and the next meeting at 7.30pm on 9th November will be a talk by Simon Kane on his travels far and wide. We are always ready to accept new members and Ladies of Yealand to quote a well known phrase "Your WI needs you" to swell our numbers.

For further details contact Elspeth on 782890 or Jenny on 733101

Y Conyers PC

The PC is rebuilding their website, and have room for some pictures of the village. Perhaps you have some excellent shots from the past you could offer, or take advantage of what's left of autumn colours and get out now with your camera or phone. Pictures to Gill Mason, the PC clerk.

Saturday, 10th November, from 10.30 volunteers are needed, for work on the canal towpath, which the PC has adopted. There are a range of tasks, from a general tidy up of vegetation and litter, some spring bulb planting, and spreading out chippings to improve the path. Meet at the bridge in Tarn Lane.

Yealand First Responders

This little team went live about a year ago. Since then they have been to over 20 callouts, but none

in Yealand, with our very small population. Callouts have been made in Silverdale, Warton, Burton, Millhead, and occasionally Carnforth, as apart from Burton, none of these places have any Community First Responder group. Organisationally Yealand are under the Burton and Holme group and train with them. When the NHS is under strain, the NW Ambulance Service find their work increases, and calls on the CFR teams are likely to increase.

Arnside and Silverdale AONB

The AONB have published their final draft management plan for the period 2019-2024. This 60 page document is open for a final 6 week comment period until the 3rd Dec, after which it will go to the government for approval. One interesting figure is that 20% of local employment is tourist related.
